

“A new generation who has come back to agriculture”

# About Us

The company is called Judeka , was founded in 2007, in honour of a Sicilian contrada (a country road) that is particularly suited for wine. When we didn't have the vineyard, we bought grapes in Contrada Judeca. It is a young project created by young people: Valentina Nicodemo, Cesare Nicodemo.

We are not from families of winemakers, we haven't inherited anything. We are the first generation, so there isn't any long history prove but instead we wish to show our love and hope. Presenting the world a just and wonderful Sicily. We strongly wanted to create a sustainable agricultural project that would give hope to young people. Providing confidence in the possibility of investing and staying in one's own land.

*"Our passion is to take care of the vineyards and products coming from our land with commitment and sacrifice."*

# Territory

We are in central Sicily, in Caltagirone, just a few km from two important nature reserves: the reserve of Santo Pietro and the Sughereta di Niscemi, famous for its countless butterflies, and is also where part of the corks we use come from. In 2002 UNESCO awarded the historic centre the title of World Heritage Site.

Judeka stands in a magical place: along the ancient Wine Route, on the country road of San Mauro, home to a Greek-Sicilian town founded in the 4th century BC by settlers from Gela. The Greeks probably came across the then navigable rivers that line the vineyards. Its from here the traditions linked to the vineyards and olive groves date back to: as everybody knows, it was the Greeks who exported grape vines and their cultivation to the other Mediterranean countries. Near Judeka, there is an archaeological site called “A truvatura” (The hidden treasure) taking its name from the incredible archaeological artefacts found there.

The first vines to be planted were chosen following the traditions of the region: Frappato united with Nero d'Avola. The blend, or rather the combination between the two grapes, creates the Cerasuolo di Vittoria. Caltagirone is part of Cerasuolo di Vittoria, the only DOCG (Controlled and Guaranteed Designation of Origin) in Sicily. Judeka offers the Nero d'Avola Doc Vittoria that comes from three different types of Nero d'Avola. But at the same time offers: a pure Frappato, a pure Nero d'Avola, a Frappato vinified in white and a Rosé Frappato.

# Judeka Sustainable

Judeka covers 45 hectares of land, all converted to organic. The cellar is surrounded by ancient olive trees, peach trees, plums, cherries, oranges, lemons, almonds, walnuts. The cellar uses solar energy obtained through photovoltaic panels. The internal road is carried out in total absence of plastic substances and derivatives of fossil carbons, using “Biostrasse”, an eco-sustainable and permeable material that favors the maintenance of the microclimate and allows the soil to capture CO2.

## BORGOGNOTTA

The **Judeka** bottle remembers Sicilian carts. **Seicento** takes on the brushstrokes of the 17th century ceramic painters. Dominated by Moorish motifs and a turquoise colour derived from the Catalan influence: as Catania and Syracuse were both full of Catalans back then. **Palermitano**, has a design that honours the island's capital. **Sud**, remembers the warm colours of the South of the world.

# WHITEHOUSE BITTER

## BITTERWINE

Il Whitehouse è più legato alla storia del vino Marsala. Con questo bitterwine ripercorro le origini del Marsala chinato, un prodotto unico nel suo genere.

# RESET AMARO

## AMARO

Reset si presenta estremo, verticale e deciso. È il risultato delle mie lunghe passeggiate nella zona dello stagnone, dove nascono spontanee erbe che sprigionano profumi inebrianti, che si miscelano con i vapori salini del luogo. Da queste emozioni, dalla voglia di fare un amaro amaro che realmente desse il beneficio di essere un digestivo.

# DOLCESUOLO SWEET WINE

RED

This rich, fruity wine, with fig, prune, and cherry notes, as well as fruit preserves, is obtained from selected grapes left to dry out in the vineyard. With a concentrated and intense ruby red color, this wine is not easily obtainable. Its complex aroma will leave your palate feeling soft and velvety.

Its perfect balance and its unique taste make it an incredible sweet "meditation" wine, ideal for slow sipping.
